I guess you
were really
hungry.

Race
yourself.

soooooo

I didn't eat a single
thing today T_T

I should've just
gone to tutorials
after summer
vacation or
something.

I hope it's the
weekend now.

You look forward
to weekends now
that you do
during school.

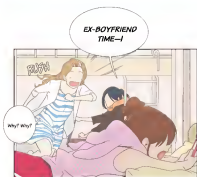

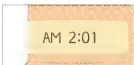

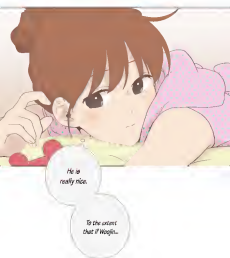

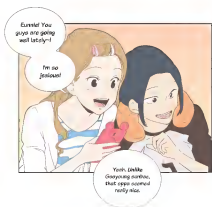

OUR

RELATIONSHIP

IS...

conspire against you

Episode 2 Girl To Man
My name is a woman, you get

AH

I got a blister.

Umm!
That seems painful

Do you want
to sit down
for a bit?

Yeah

Sorry

If it's too painful
to walk, would you
be able to give me a
piggyback ride?

Gladly~ lol

...What?

Want to
wear mine?

Here.

Then what
about you?

I'll wear
yours.

What?~ You'll
ruin it lolol

Then do you want
me to buy some
slippers?

...Yeah

Little Yoon still's giggling
without knowing Yoon-ah's the top

Lee Minhoon

Lee Minhoon, you
were also like this
in the beginning...

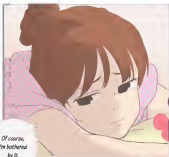

Surely, didn't you
say that the app
you're using now is
a kind of sleeping
number?

From high
school—

Yeah
That's right

Isn't you
bothered by it?

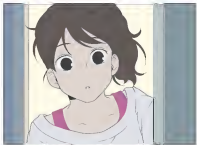

It's a bit...

*Of course,
I'm bothered
by it.*

*I don't like it
even if they're just
standing together.*

When they gathered together in the
school hallway before morning

*Do you want
really here.*

Huh?

He said that he had to go to the toilet and went in first.

You went out with Ohhyang earlier and I thought you'd be here.

Where's Ohhyang now?

I think that Hyejin really doesn't smell of chlorine.

Because I just broke the law that I take from Ohhyang hyung when he with him.

That's just you talking about—

And after that I always do these exercises!

And if I don't want to get caught by Da Gyeon, I need to at least do this much.

She actually has a good sense of smell.

But why is it a secret from Gyeon?

She'll give
me so
painful.

She kept saying
not to smoke when I
went to the army.

I ended up taking
up smoking then,
though.

And she'd
definitely tell
my mum.

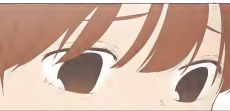

Gilyoung also
knew your mum?

My mum
really likes
Da Gilyoung.

That's just
her daughter
now.

Wah...

Them being so friendly
does bother me a bit~

But what
can I do?

Uncle,
you're too kind~

Cheer up

Uncle, I'm saying
this because I really
care for you but,

Gayoung uncle
has a tendency to
be really clumsy, so
be careful.

No way~
Gayoung isn't
like that.

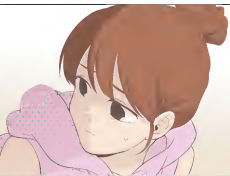

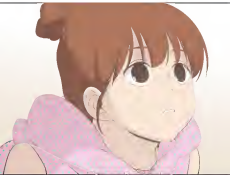

What is this
kid saying?

No seriously~
My Gayoung oppa
tends to take care
of his husband real
well.

But I saw her
really enjoying it
when she was in
front of me.

..Seriously?

.....

I think It's best not to tell them.
